

aid automation
DRIVING THE FUTURE OF AUTOMATION

YOUR PARTNER FOR INDUSTRIAL AUTOMATION SOLUTIONS

Trusted supplier of automation components and
electrical solutions from world leading brands.

Top Global Brands

Fast Response

OUR SUPPORTED BRANDS & PRODUCT RANGES

We provide extensive support across leading brands in industrial automation and electrical components.

We are not limited to specific brands - our strength lies in sourcing the right solution for your exact requirement

SIEMENS

Comprehensive automation solutions across control, motion, and industrial infrastructure.

Core Ranges:

SIMATIC S7-1200 / S7-1500 / S7-200 / S7-300 / S7-400
ET 200 Distributed I/O
SIMATIC HMI Panels
SINAMICS Drives & SIMOTICS Motors

ALLEN BRADLEY

Industry-leading control and automation solutions for scalable industrial systems.

Core Ranges:

Micro800 / MicroLogix / CompactLogix / ControlLogix
PanelView HMI Series
PowerFlex Drives
Kinetix Motion Systems

SCHNEIDER

Flexible and energy-efficient automation and power management solutions.

Core Ranges:

Modicon M340 / M580 / Quantum PLCs
Magelis HMI Range
Altivar Drives
Power Distribution & Protection Systems

ABB

Reliable automation, motion, and electrical solutions for industrial applications.

Core Ranges:

AC500 PLCs
ACS Drive Series
Industrial Switchgear & Protection
Operator Interfaces & HMIs

OMRON

High-performance automation and sensing technologies.

Core Ranges:

CP / CJ / NX PLC Series
NA / NS / NB HMI Series
Sensors & Safety Components
Machine Automation Controllers

DELTA

Cost-effective and reliable automation solutions for a wide range of industrial applications.

Core Ranges:

DVP Series PLCs
AS Series Advanced PLCs
DOP HMI Series
VFD Series Drives
Servo Systems & Motion Control

DANFOSS

High-performance drive and energy-efficient solutions for demanding industrial environments.

Core Ranges:

VLT HVAC Drives
VLT AutomationDrive
VLT Micro Drive
VACON Drives
Soft Starters & Power Solutions

MULTI BRAND

Access to a wide network of trusted global suppliers for specialized and hard-to-find components.

Includes Brands:
Mitsubishi | Phoenix Contact | Lenze | SEW | Festo | Sick
Product Coverage:
Drives & Motion Control
Industrial Networking
Sensors & Field Devices
Power Supplies & Protection

DRIVING THE FUTURE OF AUTOMATION

AID Automation supplies premium industrial automation components and electrical solutions sourced from the world's leading brands. We specialise in helping businesses upgrade, keep stock stores level and assisting with fast solutions for breakdowns.

Our Expertise:

PLC's & Controllers

HMI's & SCADA Systems

Drives & Motion controls

Sensors & Field devices

Industrial networking

Power & Electrical components
